

APAGE

Challenge for innovation, make a new standard

JSGOE

The Final Announcement

The 21st APAGE Annual Congress (APAGE 2021)

in conjunction with

The 61st Japan Society of Gynecologic and Obstetric Endoscopy
and Minimally Invasive Therapy (JSGOE 2021)

2021 9.11 SAT ▶ 13 MON

<https://www.congre.co.jp/jsgoe-apage2021/en/index.html>

APAGE2021 as an Online Meeting

Dear Colleagues,

We would like to inform that the congress has been entirely reformatted as an online meeting, and therefore it will not be held at the venue in Yokohama, but will be held only online.

We are obliged to make this decision according to the severe state in Japan influenced by COVID-19 giving the first priority to safety and security of all the participants. This is a quite hard situation, but we should definitely be well-prepared for the new format.

We are waiting for your participation in the online congress. In addition, please be informed that a part of the APAGE lectures will be available online for two weeks after the congress period. The details will be provided on the website in due course.

Thank you for your understanding and cooperation.

Sincerely,

Shigeo AKIRA, M.D., Ph.D.

President, APAGE/JSGOE 2021

Professor of Department of Obstetrics and Gynecology,

Nippon Medical School

Challenge for Innovation, Make a New Standard

How to Access to the Online Meeting

Thank you very much for registering for the congress.

In order to access to the online meeting, you are required to enter your Web ID and Password. Those will be provided just before the congress period, and can be found in your registration account and also will be informed by e-mail.

Once the congress starts, please visit the official website (<https://www.congre.co.jp/jsgoe-apage2021/en/index.html>) and then access to the online congress.

NOTE: The site for online congress will not be ready and appeared for you to access until Saturday, September 11th.

Please enter your Web ID and Password at the page as below, and login. Then, you will find the programs of the online congress for you to choose.

Waiting for your participation!

Registration (continued)

■ Reduction of Registration Fee

The registration fees of all participants from overseas are reduced to a single-price as JPY10,000!

Due to the Covid-19 pandemic, APAGE 21st Annual Congress is to be a Hybrid Congress and the registration fees are now reduced accordingly.

You could enjoy the lectures featured by internationally recognized experts in this 3-day conference and present your research with practitioners from different countries at JPY 10,000.

Please note that the full amount of the registration fees as listed below are to be paid when any participant completes registration and then the balance amount will be refunded in due course.

All the payments which have already made will be refunded in the same way.
