FOREWORD

As we mark the 10th anniversary of the Gynaecology Surgery and Hands-on Animal Workshop, I'm filled with a mix of pride and nostalgia. It feels like celebrating the birthday of a remarkable 10-year-old. What began as a labour of love, nurtured through countless hours and unwavering dedication, has grown into a vital, thriving entity that's touched so many lives. Like any proud parent, I've watched it flourish, from only featuring international speakers to seeing the network of trainees who've grown and become our trainers themselves! This workshop has truly come full circle.

Born from an ambitious idea (daring, if I may say so!) - introducing a porcine animal workshop that many thought unfeasible - this 'child' has grown into a dynamic force in gynaecological endoscopy education in this country. This workshop has not only bridged the gap between theory and practice but has also become a beacon for surgical excellence and innovation.

But, just like a 10-year-old full of potential, we're only getting started. We're committed to embracing future advancements and staying ahead of the curve, ensuring this workshop continues to lead; come what may. Here's to the next ten years of cutting-edge learning, collaboration, and the unyielding pursuit of minimally invasive gynaecological surgical mastery!

Aizura Adlan

PROF. DR. AIZURA SYAFINAZ AHMAD ADLAN,
Course Director,
10th Gynaecology Surgery and Hands-On Animal Workshop

DAY 1: 17 OCTOBER 2024

8:00 AM-
8:30 AM

**Registration and
Networking Breakfast**

8:30 AM-
9:00 AM

Opening Keynote Address

9:00 AM-
9:40 AM

Scalpel to Console:
*How Robotics are Shaking Up
Gynaecology Surgery*

9:40 AM-
10:20 AM

Microwave Ablation:
Meet The Experts

10:20 AM-
10:40 AM

Networking Break

10:40 AM-
11:20 AM

Gynaecological Game Changer:
*The Radical Rise of Modern
Hysteroscopy*

11:20 AM-
12:00 PM

Shattering Barriers:
*HIFU's Game-Changing Role in
Gynaecological Health*

12:00 PM-
1:00 PM

Lunch

1:00 PM-
4:30 PM
